## PPE/R EXEMPTION CERTIFICATION

I certify that the use of my Public Passenger Endorsement/Restriction does **NOT** include transportation of school children, or special education students as defined in Connecticut General Statutes, Section 14-275c and 14-276 (*see the reverse side of this card for a summary of the above two statutes*) under contract by a town. I understand that because I do **NOT** transport school children or special education students, I am only required to submit to annual physical report requirements.

| NAME OF PERMIT HOLDER <i>(Please Print)</i> | DATE OF BIRTH | CONNECTICUT LICENSE OR PERMIT NUMBER |
| SIGNATURE OF PERMIT HOLDER                  |               | DATE SIGNED                          |

**CGS Section 14-275c.** Regulations for school buses and motor vehicles used to transport special education students. Operators seventy (70) or older. **Subsection (b).** The Commissioner shall adopt regulations, in accordance with the provisions of chapter 54, governing (1) the inspection, registration, operation and maintenance of motor vehicles used by any carrier to transport children special education and (2) the licensing of operators of such vehicles. A person who has attained the age of seventy shall be allowed to hold a Public Passenger Endorsement/Restriction for the purpose of operating a motor vehicle to transport children requiring special education provided he/she meets the minimum physical requirements set by the commissioner and agrees to submit to a physical examination at least twice a year or when require to do so by the superintendent of the school system in which he intends to operate such vehicle.

**CGS Section 14-276.** Licensing of school bus operators. Names of suspended or revoked licensees furnished upon request. **Subsection (a).** Registered school buses while transporting school children shall be operated by holders of a valid Public Passenger Endorsement/Restriction in accordance with Section 14-44. Such permit shall be held in addition to the commercial driver's license required for the operation of such motor vehicles. A person who has attained the age of seventy (70) shall be allowed to hold such license for the purpose of operating a school bus provided he meets the minimum physical requirements set by the commissioner of motor vehicles and agrees to submit to a physical examination at least twice a year or when requested to do so by the superintendent of the school system in which he intends to operate a school bus.
